Covid-19

In these unpredictable times F. Hunt (Coach Hire) Ltd is here for its customers. We would like to assure you that your health, safety and wellbeing is our priority. We are committed to staying Covid-19 secure and our trips will run following government guidelines. All excursion venues have been checked to ensure they are following the guidance and we have assurances from them. We look forward to seeing you soon!

To Note: On our coach tours the vehicles have been fitted with the latest technology in purifying air filters which clean the air whilst in motion. The system uses Plasma air purification technology which has a powerful sterilisation function, killing viruses and other microbes. It also eliminates unpleasant odours and improves the overall air quality in the vehicle.

Our vehicles undergo deep cleaning which includes sanitisation fogging. These minimise the risk of disease and illness, destroying germs and ensures all areas are clean and free from bacteria and viruses.

2021 Day Excursions

In line with Government guidelines we plan to start our Day Excursions and Holidays on the 17th May 2021. All trips will be socially distanced on the coaches and at the venues up to no earlier than the 21st June 2021 when our normal operating procedures will apply. Our coaches, as always, will be cleaned to a high standard and hand sanitisers will still be available for use on board for *all future tours*.
